All courses highlighted **blue** are general education courses and are offered in a variety of different formats. They could be fully online, blended, or in person. These classes are suggested to be completed prior to program start. Most of these courses are also offered at all regional centers or campuses.

All courses highlighted **yellow** are only offered in person in blended format. These classes are day hours and will be two days per week.

CLINICAL COURSES

All courses highlighted **red** are clinical courses. Students will be placed in a day clinical. Clinical courses may be six to eight hour shifts and will be two days per week. Students typically need to set time aside to complete clinical paperwork. Clinicals may start at 6:00 A.M. on a day shift.

Semester One Long Term Care Facility: This clinical will be eight weeks and held on Thursday and Friday at day clinical.

Semester Two Clinic and Med/Surg: The clinic clinical will be day hours and occur Monday through Friday. The med/surg clinical will be day hours on Tuesday and Wednesday.
